

Meet and Greet

Get to Know Your Friendly Regional Energy Efficiency Organizations (REEOs)

2019 RESNET Conference
February 27, 2019
New Orleans, LA

Northeast Energy Efficiency Partnerships

Advanced Efficiency & Decarbonization Network

Smart, Efficient Low Carbon Energy Solutions

Resilient, High Performance Buildings & Communities

CAPEE - HELIX - ASHP

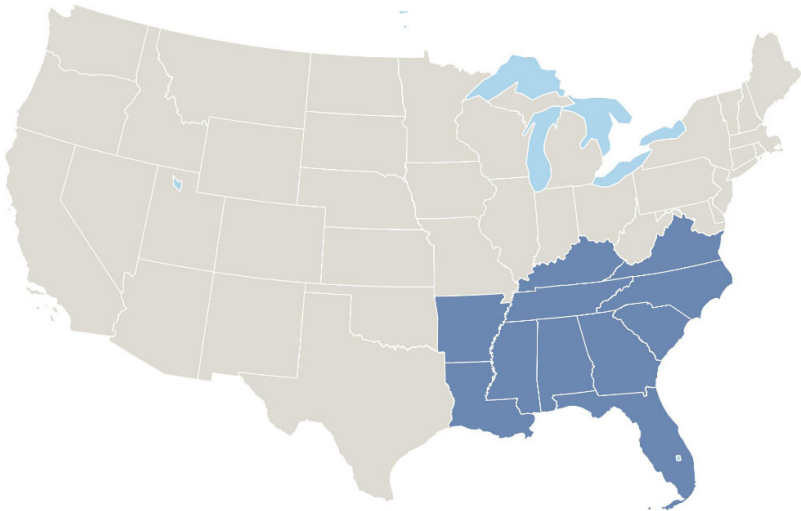

SEEA Serves The Southeast

Mission

The **Southeast Energy Efficiency Alliance (SEEA)** works to ensure people in the Southeast have the knowledge, resources, and opportunities to optimize energy use.

Vision

Energy efficiency is a primary driver of a prosperous, healthy and sustainable Southeast.

Work Areas:

Built Environment

State, Local & Utility Policy

Energy Equity

Innovative Finance

Built Environment Work

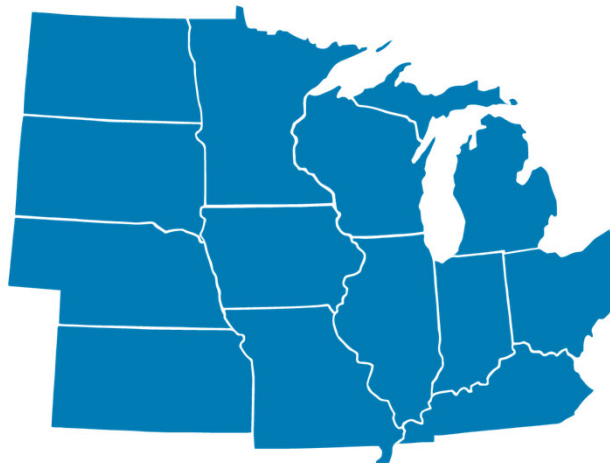

- Energy code adoption support
- Florida Energy Code Circuit Rider
- DOE Energy Code Res Field Study (AR, GA, TN, VA)
- Residential, Multifamily and Commercial Construction Trends Reports
- Connection between EE and health and between EE and resiliency

About MEEA

The Trusted Source on Energy Efficiency

We are a nonprofit membership organization with **160+ members**

MEEA helps a diverse range of stakeholders understand and implement cost-effective energy efficiency strategies that provide economic and environmental benefits.

Current Building Policy Efforts:

- Building Policy Tracking
- Energy Code Adoption
- Technical Assistance
- IL Utility Code Compliance Study
- Ameren Utility Code Support Program
- Code Compliance Collaboratives
- Research

This is why we call it SPEER...

The South-central Partnership for Energy Efficiency as a Resource

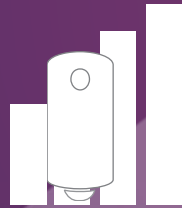

- Energy Codes
- Cities – Best Practices, Funding, Collaboratives
- Buildings – BOC, High Performance, Benchmarking
- Policy
- Et al

Northwest Energy Efficiency Alliance

What Does NEEEA Do?

**Emerging
Technologies**

**Market
Development**

**Regional
Studies**

**Research &
Evaluation**

**Codes &
Standards**

Utilities

Promoting the expansion and improvement of utility energy efficiency programs

Buildings

Advancing energy codes, programs and policies that increase the energy efficiency of buildings

Transportation

Achieving significant energy savings and reducing emissions in transportation

State & Local Government

Supporting and advising government agencies on energy efficiency policy and programs

Industrial

Helping industrial facilities cut costs and reduce pollution by increasing energy efficiency

Publications

Analyzing, shaping, and sharing energy efficiency programs, policies, & technologies

SOUTHWEST ENERGY EFFICIENCY PROJECT

Saving Money and Protecting the Environment Through More Efficient Energy Use

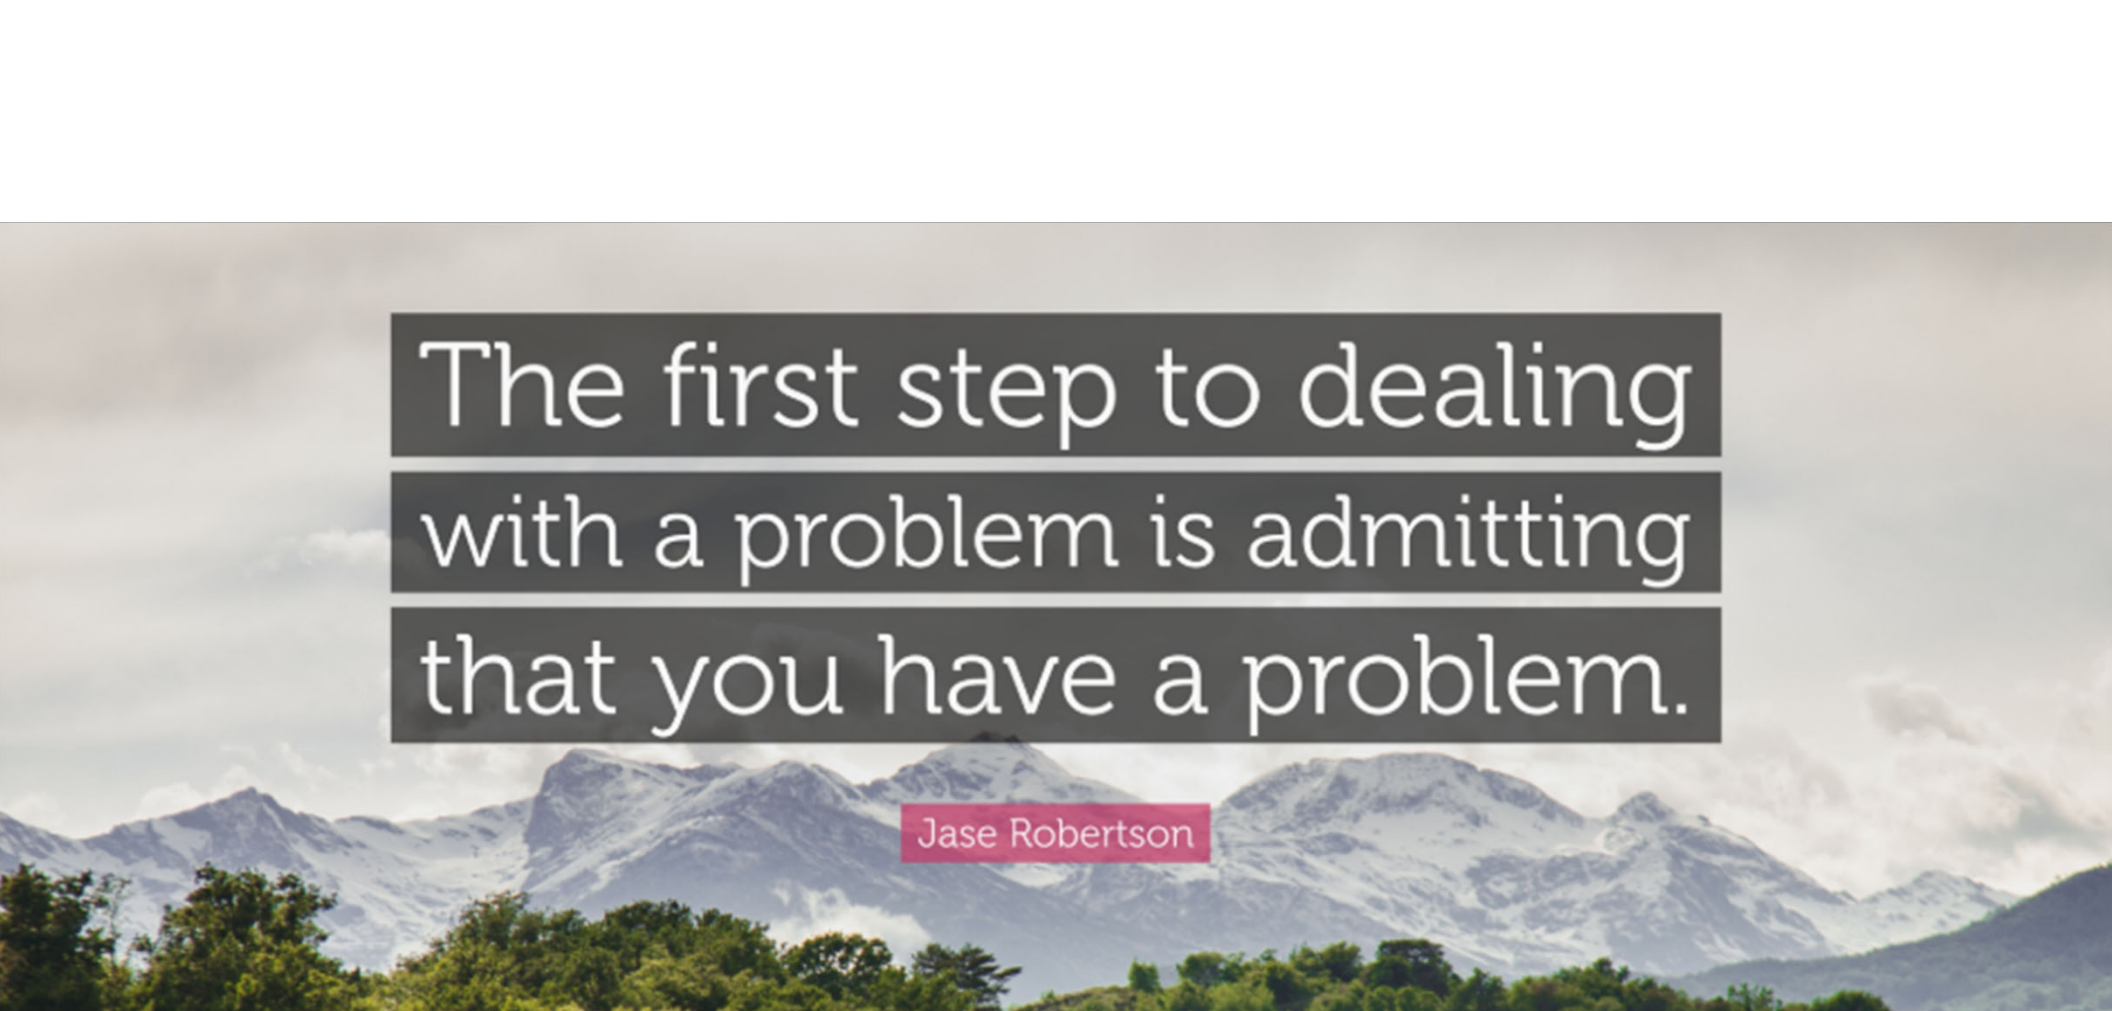

Game Time

Truths and Untruths

Energy Codes Adoption

The first step to dealing
with a problem is admitting
that you have a problem.
